A note from the Chair of the Board

Sister Irene O'Neill, CSJ, Ed.D

"We are grateful to you, our donors, for helping us raise over \$19,000 so far in this Easter season. Thank you as well to all who encouraged dear friends to join you in your support of Bethlehem University. As you know, the situation in the Holy Land remains dire, but because of your generosity Bethlehem University continues to provide an oasis of peace and a beacon of hope for the students as they study and strive to prosper amidst these challenging times. Thank you!"

Student Spotlight • Bethlehem University

Mahmoud Najajreh

First Year Student Majoring in Software Engineering

"As a first year student, it has been a great experience so far. I have always heard that the first year is the most fun and wonderful year of college. Unfortunately, we didn't get to experience that yet, but I hope we can go back and experience true college life soon after everyone is vaccinated. Other than that, our university has an outstanding reputation; we have great doctors who are supportive and open-minded to

students' ideas and thoughts."
