### **A note from Joe Bock**

**Executive Director**

"During this time of great suffering in our world, let us pray especially for the people of Ukraine and for belligerents who are caught in a war not of their choosing, only to encounter the horrors of violent conflict. May the Prince of Peace who was born in Bethlehem shed His Grace on their troubled souls."

**Student Spotlight • Bethlehem University**

"In this era, everything has changed but what hasn't changed is the quality of our education, the warm touch, the kind smile and our human values. COVID-19 has given us a higher sense of responsibility and highlighted the importance of approaching the client holistically but most importantly to give quality of care accompanied by quality of knowledge."

-Jalil Sayeh, Senior Nursing Student
