### Chilean Ambassador Delivers Donated Equipment

Chilean Ambassador Christian Hodges-Nugent and his deputy Mr. Ricardo Cardenas delivered a donated Portable Electro Cardiogram (ECG) device to [Bethlehem University's Faculty of Nursing and Health Sciences](#).

The new ECG device, donated by Chilean Company "Isatec" in cooperation with the University of Chile, is the first of its kind in Palestine. It can be connected to computer software so patients information can be stored along with their medical history and results can be printed out at any time.
